Mr Ed Woo Contra Costa County Information Technology

Ref: BPO# F 30375 (Multi-Band portable & mobile radios).

Per our earlier conversation, see the accompanying attachment for an update of portable and mobile radios offered for this contract. We have updated some options and added items at the specific request of the County Fire Dept's Communications Division.

A Public Safety Usage clause has also been added to accommodate adjoining Public Safety users.

Please review the data and give me a call if you have additional questions.
