DRAFT MINUTES

1. Call to Order/Roll Call: 10:00 a.m.

Boardmembers Present: Bms. J. Calabrigo, D. Covington, J. Diaz, N. Gallo, J. King, A. Love, P. Meyer, S. Muranishi (via Zoom), S. Perkins, B. Prebula, M. Rodriguez, Y. Sanchez, M. Shorr, C. Silva, K. Stepper, D. Swing, and J. Vorhauer

Staff Present: T. McCarthy, C. Boyer, L. McKinney, C. Soto

2. Public Comments: None.

3. Approval of Minutes:

3.1 Approval of Minutes from the Board Meeting of June 16, 2023

On motion of Bm. Shorr, seconded by Bm. Vorhauer and by unanimous vote, the Board approved the minutes of the June 16, 2023 Board meeting.

4. Action Items:

4.1 Approval of Amendment to Contra Costa County Department of Information Technology Agreement

Executive Director McCarthy stated this was a contract with Contra Costa County's radio shop. The radio shop team works on the equipment and out in the field at the sites. This is to extend that contract for one year. It is for time and materials with an increase of 5%, of which is in the budget. This contract will date back to July 1, 2023.

On motion of Bm. King, seconded by Bm. Vorhauer and by unanimous vote, the Board of Directors adopted **Resolution No. 23-05 Authorizing the Chair to Execute and the Executive Director to Implement an Amendment to the Agreement with the Contra Costa County Department of Information Technology to Increase the Contract Amount by \$345,000.**

4.2 Approval of Amended and Restated Communications System Agreement with Motorola Solutions, Inc.

Executive Director McCarthy stated that EBRCSA has had a service agreement and maintenance agreement with Motorola. System Upgrade Transactions (SUA) update the System every two years. With this six-year agreement, there will be three SUA updates, one every two years. The SUA had been at a preset price for the past 10 years. This agreement is how the System is kept running and refreshed. This year, some items have been added: remote monitoring that is an added price. It is a third-party vendor. By doing this, it keeps the System secure. Also added is NICE recording and maintains recordings of radio traffic. Maintenance and SUA used to be two separate contracts. They are now one item in the contract for the six years. The Maintenance agreement increased in price the last few years. EBRCSA's goal is to know what this will cost for the next six years. The SUA is the cornerstone for taking care of routers, switches, consoles, etc. They will be updated, maintained and repaired. The forecasting is left to Motorola when you have an SUA. It is their responsibility for keeping up the hardware and software and replacing it.

Boardmembers, EBRCSA Counsel, EBRCSA Auditor and the Executive Director discussed the need for subscriber fee increases in July 2024 due to a \$1.13 million difference in contract agreement costs with the prior costs. They expressed concern at the Finance Committee meeting this week, about the contract not having a cap on the CPI plus annual increase from Motorola. It was confirmed that the cap language had not changed from what was presented at the Finance Committee meeting. They also discussed what area CPI were they using. Was it unadjusted? Annual or two months', and which two months? Who decides which annual CPI number gets used?

Ms. McKinney stated that it was up to 8%, so a 4% maximum increase.

Mike Larson, Motorola representative, stated that was an example, not a cap.

Ms. McKinney read the contract language, "Motorola shall have the right to increase the maintenance prices by the CPI increase amount exceeding 4% from the previous year." There is not a cap. So, if there is a 20% CPI increase, they could increase 16%. That is not likely, but it is not a cap. It is anything exceeding 4%. It is a deal term. It is a business decision.

Chair Meyer stated it is in all their contracts. The idea that they would remove it from the contract is not reasonable. The fact that they got them to move the base from 3% to 4% was something.

Mr. Larson stated the CPI they had discussed was not a seasonally adjusted CPI. He believes it goes by calendar year.

Ms. McKinney stated there is a number that is represented. The contract language says the annual non-seasonally adjusted CPI. This language was also in the last contract with Motorola but they did not raise the cost.

10:34 a.m. Bm. Perbula joined the meeting.

Chair Meyer stated they needed to know from Motorola what was the intent of that language. He asked that Motorola clarify within the next several minutes. It would be helpful.

Bm. Meyer tabled this item to see if they could get clarification from Motorola regarding the language to be able to get a motion.

10:57 a.m. the tabled item was resumed.

Mr. Larson clarified that the contract language from Motorola was intended as the national urban area CPI non-seasonally adjusted as published by BLS and it is for the most recent 12 months annually based off of the contract terms.

Ms. McKinney stated she checked to see what those numbers were because BLS is the Bureau of Labor and Statistics and for 2020 it was 1.2%, 2021 was 4.7%, 2022 was 8%, and this year so far it is 4%.

On motion of Bm. Perkins, seconded by Bm. King and by majority vote (Bm. Covington abstaining), the Board of Directors adopted **Resolution No. 23-06 Authorizing the Chair to Execute and the Executive Director to Implement an Amended and Restated Communications Services Agreement with Motorola to Increase the Contract Amount by \$23,081,295.**

5. Committee Updates:

5.1 Receive Informational Report on Recent Finance Committee Activities

Members of the Finance Committee explained their drilling down on the Motorola contract and having concerns as to the structural imbalance in EBRCSA's operating expenses and revenues. The need for subscriber fee increases was discussed, specifically, \$3 per radio/per month in July 2024, which is approximately a 10% increase; \$3 per radio/per month in July of 2025, which is approximately 10%, and then an ongoing minimum 3% increase going forward. The caveat is EBRCSA does not have a CIP. EBRCSA is capturing a lot of capital costs in this Motorola agreement, probably upwards of \$10-12 million in capital. It covers consoles, routers, switches, etc., that would be in the capital replacement program. The idea of trying to phase an increase in over time was based on it was another \$1.1 million plus or minus that would need to be spent on an ongoing annual basis and if EBRCSA was going to adjust for that imbalance at 100% right now, you would be looking at a \$35.50 subscriber rate per radio/per month. The Finance Committee did not want to do that and that completed that thought process. It was a

conversation that needed to include all the Board members and an agreement of what is the best way to move forward.

Ms. McKinney stated in regard to Item 6.1, it seems prudent to make sure they have accurate information before adopting a fee increase. In her conversation with Mr. Boyer, he indicated that the financials he ran for Monday's meeting were preliminary and that he would like to run some additional scenarios regarding fee increases.

5.2 Receive Informational Report on Recent Operations Committee Activities

Bm. Swing stated the Operations Committee had discussed the Motorola agreement along with what the Finance Committee had discussed. (See Item 5.1 above.)

6.1. **Reports:**

6.1 Receive Informational Report on Potential Subscriber Fee Increase

Discussed in Items 4.1 and 5.1, above.

7. **Agenda Items for Next Meeting:**

- Aviat Repair and Maintenance Agreement

Executive Director McCarthy stated that Aviat is the microwave manager that builds, installs and services the System's microwaves and that agreement would be coming to the Board soon for approval.

8. **Board Comments:**

Bm. Perkins asked for an update on the Walton Lane site.

Executive Director stated that the City of Antioch had allowed its lease to expire on the Walton Lane tower and shelter. They were looking at a new tower company now. He has reached out to Antioch and has had no response yet. American Tower may walk away from that site. It has the tower and shelter there and the City of Antioch could negotiate for that site and its tower and shelter. EBRCSA has the equipment for the site from the former Contra Costa County Administration building at 651 Pine Street, Martinez. It will be placed at the Walton Lane site. Antioch is currently working with Motorola with a different radio which transmits via the internet. It may be a temporary fix for communication in that area.

Chair Meyer stated there would be a meeting coming up to discuss rate increases. Also, they would discuss replacing Tom McCarthy as Executive Director.

9. **Adjournment:** With no further business coming before the Board of Directors, the meeting was adjourned at 11:12 a.m.

AGENDA ITEM 3.2

**AGENDA STATEMENT
BOARD OF DIRECTORS
MEETING DATE: December 1, 2023**

TO: Board of Directors
East Bay Regional Communications System Authority (EBRCSA)

FROM: Chief Paige Meyer, Board Chair
East Bay Regional Communications System Authority

SUBJECT: East Bay Municipal Utility District Leases

RECOMMENDATION:

Adopt a resolution authorizing the East Bay Regional Communications System Authority (EBRCSA) to enter four leases with the East Bay Municipal Utilities District (EBMUD) to lease EBMUD property on which EBRCSA towers and shelters are located.

SUMMARY/DISCUSSION:

EBRCSA's System was developed in part by utilizing existing towers and shelters in Alameda and Contra Costa Counties. In addition, to support necessary coverage for its Members, the System also required new towers and shelters to be constructed. In particular, such equipment was constructed at EBMUD's reservoir sites at Seneca, Pearl, Carter (Alta Mesa), and Skyline reservoirs. In order to effectuate this development, EBMUD and EBRCSA entered into lease agreements for these sites which are scheduled to expire on December 31, 2023.

Rather than amend the existing leases, EBMUD has proposed new leases with a term commencing January 1, 2024, and expiring December 31, 2028.

The proposed leases' Base Rent sum of \$17,910.78 is due within the first 30 days of each year of the term. The proposed leases also include a Base Rent Adjustment of 3% annually starting January 1, 2024, and every year thereafter.

FISCAL IMPACT

EBRCSA's FY 23/24 budget includes the cost of the EBMUD leases for FY 23/24 and approving the proposed leases will not require a budget adjustment for Fiscal Year 23/24.

COMMITTEE RECOMMENDATIONS:

The Operations and Finance Committee reviewed the proposed EBMUD leases and recommended they be presented to the EBRCSA Board of Directors for approval.

RECOMMENDED ACTION:

It is recommended that the Board of Directors adopt a resolution approving the proposed East Bay Municipal Utilities District leases for the Seneca, Pearl, Carter (Alta Mesa), and Skyline. It is requested that the Board authorize the Chair to execute the leases and the Executive Director to take such further action as may be necessary and appropriate to implement the leases.

5. UTILITIES

- B. It is understood that construction, reconstruction, maintenance, and use of the reservoir, pumping plants, pipelines and other facilities or improvements of Lessor, present or future, upon the Property shall at all times be paramount to any rights under this Lease, provided that Lessor will not unreasonably interfere with Lessee's use of the Premises.
- C. The construction, reconstruction, maintenance, and use of the facilities of Lessee, and all work upon or in connection therewith, shall at no time and in no way whatever interfere with the present or future operations of Lessor; the location of the facilities, the construction, reconstruction, and maintenance thereof, and all work in connection therewith, shall be done and made under the supervision and to the reasonable satisfaction of Lessor.
- D. Upon completion of the installation of its facilities or any improvements, Lessee shall promptly return as near as possible the surface of the ground to the condition in which it was prior to the commencement of said work and Lessee shall not commit or suffer to be committed any waste upon the Premises or any nuisance thereon and agrees to keep the Premises in a neat, clean, sanitary and orderly condition at all times during occupancy, and not to permit any amount of rubbish, garbage or refuse to accumulate and remain thereon at any time. If Lessee fails so to keep the Property as stated

herein, then after thirty (30) days written notice to Lessee, Lessor may perform the necessary work at the reasonable expense of Lessee, which expense Lessee agrees to pay to Lessor upon demand.

7. ACCESS

Where Lessor holds rights of access to the Property in fee title, Lessor grants Lessee access to the Property via use of the access road as described in Exhibit B, and a right of access to the source of electrical and telephone facilities, twenty-four (24) hours a day, seven (7) days a week as depicted in Exhibit A. Where Lessor does not own access rights in fee title, Lessee shall be solely responsible for obtaining any and all rights required from third parties to access the Premises. Lessor will, however, provide Lessee with copies of any applicable easement agreements granting Lessor access to the Property. If Lessee uses Lessor's existing access road, Lessor and Lessee will share equally in road maintenance costs as determined and billed by Lessor. Lessor agrees to permit Lessee free ingress and egress to the Premises to conduct such surveys, structural strength analyses, subsurface boring tests and other activities of a similar nature as Lessee may deem necessary at the sole cost of Lessee.

8. PRIOR APPROVAL

Lessee agrees that prior to construction of Lessee's facilities on the Premises, Lessee shall submit to Lessor for final approval the approved building permit from the appropriate permitting agency, the final construction plans and a detailed description and photo depiction of the improvements to be built. Lessor's review of the permit and plans will be limited to checking for compliance with the terms of this Lease as to the size and location of Lessee's facilities and for conflicts with any District infrastructure on the Property. Upon Lessor's approval, the final construction plans shall replace Exhibit A and the detailed description and photo depiction shall replace Exhibit C.

9. CONDITION OF PREMISES

- A. The taking of possession of the Premises by Lessee shall, in itself, constitute acknowledgment by Lessee that the Premises are in good condition and satisfactory for their use.
- B. Lessee specifically acknowledges that Lessor has made no representations concerning the condition of the Premises, the soil, its bearing capacity, or the fitness of the Premises or any improvements, including but not limited to the compliance of the Premises or any improvements with any federal, state, or local building code or ordinance, and Lessee expressly waives any duty Lessor might have to make any such disclosures.
- C. Lessee acknowledges that to the best of Lessee's knowledge, the Premises will safely support the type of improvements to be constructed and maintained by Lessee under the terms and conditions of this Lease, and that Lessee accepts the Premises in an "as is" condition.

10. LIENS

Lessee shall keep the Premises free and clear from any liens arising out of any work performed, material furnished, or obligations incurred by Lessee.

11. TREES

Lessee agrees that no trees will be damaged and/or removed during installation of Lessee's facilities or any improvements without mitigation approved in advance by Lessor. During the term of this Lease, trimming of trees must be minimized and shall be subject to prior approval by Lessor.

12. INTERFERENCE

- A. Lessee agrees that any facilities constructed or equipment installed on the Premises or modifications to the improvements as described in Exhibit C, shall be constructed, installed and operated at all times in such a manner that they will not interfere with Lessor's present communications transmitters and receiver stations if any, and in the event of such interference, Lessee agrees, at its own costs and expense, to take all necessary steps to eliminate such interference whether so required by the Federal Communications Commission or not. In the event that such interference shall develop and such interference is not eliminated by Lessee within seven (7) days after written notice from Lessor to do so, the facility or equipment causing such interference shall be taken out of service by Lessee until the problem is corrected to the complete satisfaction of Lessor. The term "interference" as used herein may be direct or consequential, and includes, but is not limited to, intermediation and desensitizing of Lessor's receiving equipment by Lessee's transmitter operations.
- B. Lessee agrees that any radio or cellular equipment installed on the Premises shall be frequency compatible with all other radio and cellular transmitting and receiving equipment existing on any site owned or controlled by Lessor at the time its initial radio installation is made. If at a future date a transmitter from another location other than those owned or controlled by Lessor should cause interference to previously installed equipment on any site owned or controlled by Lessor by causing interference with frequencies generated by Lessee's equipment, it shall be Lessee's responsibility to make such corrections as are necessary to eliminate such interference.

13. GOVERNMENTAL APPROVALS

Lessee shall, at its sole cost and expense, comply with all applicable requirements, rules, regulations and environmental documentation pertaining to facilities, equipment and operations to be conducted on the Premises, including all requirements imposed by the Bay Area Air Quality Management District, the City of Richmond, County of Contra Costa, the State of California and the United States of America. Lessor agrees to cooperate with Lessee with respect to obtaining any required zoning or other governmental approvals or permits for the Premises and Lessee's facilities, including providing signatures where necessary on Lessee's governmental permit applications. Lessee acknowledges, however, that Lessor is not a permitting entity and shall not be responsible for obtaining or maintaining any necessary governmental approvals on behalf of Lessee.

Lessee further agrees to be responsible for complying with any environmental regulations or permits that may be required under this Lease, including but not limited to, applying for and maintaining a Hazardous Materials Business Plan (HMBP), any hazardous materials storage permit that may be required, and compliance with any storm water regulations.

14. MODIFICATIONS AND IMPROVEMENTS

- A. Once Lessee's improvements are installed on the Premises, as depicted in Exhibit A and detailed in Exhibit C, Lessee will not make any alterations to the site without obtaining the prior written approval of Lessor. Lessee must request consent to the modifications in writing, submit proposed plans that will be submitted to the appropriate permitting agency, a copy of the permit application being submitted to the permitting agency, and a letter of authorization. If Lessee will require Lessor, as property owner to sign a permit application or other similar document to be submitted to the permitting agency, Lessor will require a letter from the Lessee that certifies all documentation submitted to the permitting agency is true and correct and that Lessee indemnifies the Lessor against any claims resulting from erroneous representations or misrepresentations. Any alterations to the site from the approved improvements as identified in Exhibit A and Exhibit C will require an amendment to the Lease and may require compensation from Lessee.
- B. Upon Lessee receiving approval from the appropriate permitting agency, Lessee must submit to Lessor a copy of the approved permit, a copy of the final construction plans that will supplement or replace Exhibit A and a written description of the improvements with a photo simulation of the modified site that will supplement or replace Exhibit C.
- C. Lessee shall provide Lessor, without charge or expense, space as necessary for Lessor's communications equipment either inside or on top of Lessee's improvements, to be utilized solely in connection with Lessor's operations as a municipal utility district. Lessor acknowledges and agrees that Lessor's communications equipment may not interfere with any of Lessee's approved improvements as detailed in Exhibit A, and Lessor shall submit plans and specifications to Lessee for review to determine any impact on Lessee's improvements. Within 30 days, Lessee shall either approve Lessor's plans and specifications or deny approval if Lessee reasonably determines that either a technical or structural interference is likely to occur. Failure by Lessee to approve or deny approval of Lessor's plans and specifications within 30 days shall be deemed approval.
- D. Lessor shall be solely responsible for all costs associated with the installation and maintenance of Lessor's equipment or improvements on the Premises.

15. INDEMNIFICATION AND DAMAGES

- A. Lessee expressly agrees to indemnify, defend and hold harmless Lessor, its directors, officers, and employees from and against any and all loss, liability, expense, claims, costs, suits, and damages, including attorneys' fees, arising out of Lessee's operation or performance under this Lease, including all costs, claims and damages (including property and personal injury) arising out of any hazardous substances, hazardous materials or hazardous wastes (including petroleum) within the Premises or on the adjacent Lessor's property, released by Lessee, its officers, employees, or contractors, as a result of Lessee's construction, reconstruction, maintenance, use, or removal of its facility.

Notwithstanding any other provision, Lessee expressly agrees to indemnify, defend, and hold harmless Lessor in any lawsuit related to the lease.

- B. Damages: Lessee shall be responsible for and shall reimburse Lessor for any damage or loss to Lessor's present or future facilities on the Property to the extent directly or indirectly contributed to or caused by Lessee's operation or performance under this Lease, including, but not limited to, any damage or loss due to Lessee's deposit of Hazardous Materials as defined in section 16.C on the Property.
- C. Assumption of Risk: Lessee agrees to assume all risk of damage to any property of Lessee or any other property under the control or custody of Lessee while upon the Property or rights-of-way of Lessor or in proximity thereto, caused by or contributed to in any way by Lessor's construction, reconstruction, operation, maintenance, repair, or use of pipelines, reservoirs or other facilities or improvements or roadways of Lessor, present or future.

16. HAZARDOUS MATERIALS

- A. Representation: Lessor represents that it has conducted no site investigation(s) for hazardous materials and has no knowledge of any hazardous materials (as defined below) existing on or about the Premises in violation of any applicable law.
- B. Lessee represents and warrants to Lessor that Lessee will not, and will not knowingly permit any third party to, generate, store or dispose of any hazardous materials on, under or about the Premises in violation of any hazardous substance laws (as defined below).
- C. D. Lessor and Lessee acknowledge that from time to time Lessor may be required by various governmental agencies having jurisdiction over the Property to provide a list of hazardous materials present on the Property. If Lessor is required to provide a list of hazardous materials present on the Property by any governmental agency having jurisdiction over the Property, Lessee shall, within fifteen (15) business days after receipt of a written request from Lessor, provide to Lessor a written statement identifying the types and amounts of hazardous materials being stored and/or used by Lessee within the Premises.

See Exhibit "D", Insurance Requirements, attached hereto and made a part hereof.

18. ASSIGNABILITY

Lessee shall not voluntarily or by operation of law assign, transfer, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in the Lease or in the Premises.

19. DEFAULT

It is understood and agreed that if Lessee fails to pay any installment of rent as it becomes due, or if Lessee defaults on any of the other covenants, agreements or terms of this Lease, and if upon receipt of ten (10) days' written notice in the case of a monetary default, thirty (30) days' written notice in the case of a non-monetary default or seven (7) days' written notice in the case of a frequency incompatibility default, Lessee shall fail or refuse to correct the default, Lessor at its option may re-enter the Premises and remove all improvements therefrom, and may terminate this Lease or take possession of the Premises as the agent and for the account of Lessee, and may lease or rent the whole, or any part of the Premises for the balance or any part of the term of this Lease and retain all rents received and apply them in payment on any rents owed by Lessee. The performance of any or all of these acts by Lessor shall not release Lessee from the full and strict compliance with all of the terms, conditions and covenants of this Lease, If the nature of Lessee's default is such that more than thirty (30) days are reasonably required to cure the default, then Lessee shall not be in default if Lessee commences the cure within this thirty (30) day period and thereafter diligently prosecutes such cure to completion.

20. WAIVER

The waiver by Lessor of any breach of any term, covenant or condition of this Lease shall not be deemed to be a waiver of the term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition. Lessor's subsequent acceptance of rent shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of the rent.

21. REMEDIES

It is understood that the remedies provided for Lessor in case of a violation of the terms of this Lease by Lessee are not exclusive, but are in addition to any remedies provided by law, any of which Lessor shall have the right to use at its option.

22. RELOCATION

In the event Lessor's operations necessitate the relocation of Lessee's facilities, Lessee shall have no right to relocation benefits or payments from Lessor, and Lessee shall be solely responsible for all costs of any necessary relocation. Lessee hereby specifically waives any rights to, and releases Lessor from, any and all claims for relocation benefits and/or relocation payments to which Lessee might otherwise be entitled. Lessee shall hold Lessor harmless from and indemnify Lessor against any and all liability, cost, and expense suffered or incurred by Lessee and arising in connection with any such right or claim asserted by Lessee.

If all of the Premises is condemned or if such part is condemned so that there does not remain a portion capable of occupation and use as herein authorized, this Lease shall thereupon terminate. If a part or all of the Premises is condemned, all compensation awarded upon such condemnation, except such compensation as shall be specifically awarded to Lessee for loss of or damages to fixtures owned by Lessee, or business interruption or moving expenses, shall go to Lessor and Lessee shall have no claim thereto and Lessee irrevocably assigns and transfers to Lessor any and all rights to all other compensation or damages to which Lessee may become entitled during the term of this Lease by reason of the condemnation.

24. TAXES AND ASSESSMENTS:

The property interest created by this Lease may be subject to property taxation and the Lessee may be subject to the payment of property taxes levied on this interest. Lessee agrees to pay all lawful taxes, assessments or charges which at any time may be levied by any tax or assessment levying body upon any interest in this Lease or any possessory right that Lessee may have in or to the Premises under this Lease.

25. TERMINATION (NONDEFAULT)

Lessor's Right to Terminate. Lessor may terminate this Lease upon at least one (1) year notice to Lessee.

After expiration of Term, if lease is in holdover, Lessor may terminate occupancy upon at least thirty (30) days' notice to Lessee.

Property or authority to enter into this Lease, then Lessee shall have the right to terminate this Lease upon at least 180 days written notice to Lessor.

Upon termination, neither party will owe any further obligation under the terms of this Lease except for Lessee's responsibility to remove all of Lessee's facilities from the Premises and restore the Premises to its original condition, as near as practicable in accordance with Section 28, below.

Upon any early termination of this Lease, any prepaid rent shall be prorated from the date of termination and returned to Lessee.

- B. If Lessor decides not to retain all or a portion of the towers, buildings and improvements constructed by Lessee, upon termination of this Lease for any reason Lessee shall remove all towers, buildings and improvements as directed by Lessor within thirty (30) days following termination of this Lease. Lessee agrees to fill in all excavations with solidly compacted earth and to leave said Premises in a neat and clean condition following any such removal save and except normal wear and tear and acts beyond Lessee's control. Should Lessee fail to complete the removal of Lessee's facilities within thirty (30) days following termination of this Lease, rent shall accrue at Hold-Over rates until all equipment has been satisfactorily removed and the Premises have been left in satisfactory condition.
- C. Within thirty (30) days following termination of this Lease, Lessee shall at Lessee's expense eliminate and pay in full any encumbrances, liens and debts incurred by Lessee with respect to any improvements to remain on the property.

- A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, LESSEE shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. LESSEE shall provide Verification of Insurance as required by this Lease by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit "C" to the DISTRICT. The Exhibit "C" may be signed by an officer of the LESSEE (Agent) or by the Insurance Broker for the LESSEE. LESSEE shall update Exhibit "C" throughout the specified term of the insurance required by this Lease by resubmitting the completed Exhibit "C" prior to the expiration date of any of the required insurance. The updated Exhibit "C" shall become a part of the Lease but shall not require a change order to the Lease. The Notice to Proceed shall not be issued, and LESSEE shall not commence Services until such insurance has been accepted by the DISTRICT.
- C. LESSEE shall carry and maintain the minimum insurance requirements as defined in this Lease. LESSEE shall ensure that its independent contractors maintain, appropriate insurance coverage and limits required in this Lease to the extent they apply to the scope of the services to be performed by any party acting on LESSEE's behalf.
- D. Acceptance of verification of Insurance by the DISTRICT shall not relieve LESSEE of any of the insurance requirements, nor decrease liability of LESSEE.
- E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Lease.
- F. Any self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- G. At the option and request of the DISTRICT, LESSEE shall provide documentation of its financial ability to pay the self-insurance, or SIR.
- H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.
- I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A-V.
- J. LESSEE shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.
- K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Lease, and before the beginning of any Services related to this Lease.
- L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having LESSEE's insurance broker or agent update, sign and return Exhibit "C" to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Lease.
- M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Lease or the start of any Services related to this Lease, LESSEE must purchase an extended reporting period for a minimum of three (3) years after expiration of the Lease.
- N. In the event of a coverage dispute arising from a claim, the District may request a copy of the applicable policies' giving rise to such dispute which shall be submitted to the DISTRICT for review.
- O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.
- P. LESSEE agrees to provide immediate Notice to the DISTRICT of any loss or claim against LESSEE arising out of, pertaining to, or in any way relating to this Lease, or Services performed under this Lease. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.
- Q. LESSEE agrees, upon request by the DISTRICT, to provide complete and endorsements within 10 days of such request.

R. It is LESSEE's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Lease shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

S. Notice of Cancellation/Non-Renewal/Material Reduction The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by LESSEE, should LESSEE breach its obligations to maintain the required coverage and limits set forth in this Lease. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the LESSEE's insurance broker or agent update, sign and return this Exhibit "C".

5. UTILITIES

6. LESSOR'S RIGHTS

Lessor reserves the right to use the Property, excluding the area delineated on Exhibit A, at any and all times, for Lessor's operations and shall at all times during the Term of this Lease have the right to enter upon the Premises for any purpose necessary in the conduct of Lessor's operations.
- B. It is understood that construction, reconstruction, maintenance, and use of the reservoir, pumping plants, pipelines and other facilities or improvements of Lessor, present or future, upon the Property shall at all times be paramount to any rights under this Lease, provided that Lessor will not unreasonably interfere with Lessee's use of the Premises.
- C. The construction, reconstruction, maintenance, and use of the facilities of Lessee, and all work upon or in connection therewith, shall at no time and in no way whatever interfere with the present or future operations of Lessor; the location of the facilities, the construction, reconstruction, and maintenance thereof, and all work in connection therewith, shall be done and made under the supervision and to the reasonable satisfaction of Lessor.
- D. Upon completion of the installation of its facilities or any improvements, Lessee shall promptly return as near as possible the surface of the ground to the condition in which it was prior to the commencement of said work and Lessee shall not commit or suffer to be committed any waste upon the Premises or any nuisance thereon and agrees to keep the Premises in a neat, clean, sanitary and orderly condition at all times during

occupancy, and not to permit any amount of rubbish, garbage or refuse to accumulate and remain thereon at any time. If Lessee fails so to keep the Property as stated herein, then after thirty (30) days written notice to Lessee, Lessor may perform the necessary work at the reasonable expense of Lessee, which expense Lessee agrees to pay to Lessor upon demand.

7. ACCESS

Where Lessor holds rights of access to the Property in fee title, Lessor grants Lessee access to the Property via use of the access road as described in Exhibit B, and a right of access to the source of electrical and telephone facilities, twenty-four (24) hours a day, seven (7) days a week as depicted in Exhibit A. Where Lessor does not own access rights in fee title, Lessee shall be solely responsible for obtaining any and all rights required from third parties to access the Premises. Lessor will, however, provide Lessee with copies of any applicable easement agreements granting Lessor access to the Property. If Lessee uses Lessor's existing access road, Lessor and Lessee will share equally in road maintenance costs as determined and billed by Lessor. Lessor agrees to permit Lessee free ingress and egress to the Premises to conduct such surveys, structural strength analyses, subsurface boring tests and other activities of a similar nature as Lessee may deem necessary at the sole cost of Lessee.

8. PRIOR APPROVAL

Lessee agrees that prior to construction of Lessee's facilities on the Premises, Lessee shall submit to Lessor for final approval the approved building permit from the appropriate permitting agency, the final construction plans and a detailed description and photo depiction of the improvements to be built. Lessor's review of the permit and plans will be limited to checking for compliance with the terms of this Lease as to the size and location of Lessee's facilities and for conflicts with any District infrastructure on the Property. Upon Lessor's approval, the final construction plans shall replace Exhibit A and the detailed description and photo depiction shall replace Exhibit C.

9. CONDITION OF PREMISES

- A. The taking of possession of the Premises by Lessee shall, in itself, constitute acknowledgment by Lessee that the Premises are in good condition and satisfactory for their use.
- B. Lessee specifically acknowledges that Lessor has made no representations concerning the condition of the Premises, the soil, its bearing capacity, or the fitness of the Premises or any improvements, including but not limited to the compliance of the Premises or any improvements with any federal, state, or local building code or ordinance, and Lessee expressly waives any duty Lessor might have to make any such disclosures.
- C. Lessee acknowledges that to the best of Lessee's knowledge, the Premises will safely support the type of improvements to be constructed and maintained by Lessee under the terms and conditions of this Lease, and that Lessee accepts the Premises in an "as is" condition.

10. LIENS

Lessee shall keep the Premises free and clear from any liens arising out of any work performed, material furnished, or obligations incurred by Lessee.

11. TREES

Lessee agrees that no trees will be damaged and/or removed during installation of Lessee's facilities or any improvements without mitigation approved in advance by Lessor. During the term of this Lease, trimming of trees must be minimized and shall be subject to prior approval by Lessor.

12. INTERFERENCE

- A. Lessee agrees that any facilities constructed or equipment installed on the Premises or modifications to the improvements as described in Exhibit C, shall be constructed, installed and operated at all times in such a manner that they will not interfere with Lessor's present communications transmitters and receiver stations if any, and in the event of such interference, Lessee agrees, at its own costs and expense, to take all necessary steps to eliminate such interference whether so required by the Federal Communications Commission or not. In the event that such interference shall develop and such interference is not eliminated by Lessee within seven (7) days after written notice from Lessor to do so, the facility or equipment causing such interference shall be taken out of service by Lessee until the problem is corrected to the complete satisfaction of Lessor. The term "interference" as used herein may be direct or consequential, and includes, but is not limited to, intermediation and desensitizing of Lessor's receiving equipment by Lessee's transmitter operations.
- B. Lessee agrees that any radio or cellular equipment installed on the Premises shall be frequency compatible with all other radio and cellular transmitting and receiving equipment existing on any site owned or controlled by Lessor at the time its initial radio installation is made. If at a future date a transmitter from another location other than those owned or controlled by Lessor should cause interference to previously installed equipment on any site owned or controlled by Lessor by causing interference with frequencies generated by Lessee's equipment, it shall be Lessee's responsibility to make such corrections as are necessary to eliminate such interference.

13. GOVERNMENTAL APPROVALS

Lessee shall, at its sole cost and expense, comply with all applicable requirements, rules, regulations and environmental documentation pertaining to facilities, equipment and operations to be conducted on the Premises, including all requirements imposed by the Bay Area Air Quality Management District, the City of Richmond, County of Contra Costa, the State of California and the United States of America. Lessor agrees to cooperate with Lessee with respect to obtaining any required zoning or other governmental approvals or permits for the Premises and Lessee's facilities, including providing signatures where necessary on Lessee's governmental permit applications. Lessee acknowledges, however, that Lessor is not a permitting entity and shall not be

responsible for obtaining or maintaining any necessary governmental approvals on behalf of Lessee.

Lessee further agrees to be responsible for complying with any environmental regulations or permits that may be required under this Lease, including but not limited to, applying for and maintaining a Hazardous Materials Business Plan (HMBP), any hazardous materials storage permit that may be required, and compliance with any storm water regulations.

14. MODIFICATIONS AND IMPROVEMENTS

- A. Once Lessee's improvements are installed on the Premises, as depicted in Exhibit A and detailed in Exhibit C, Lessee will not make any alterations to the site without obtaining the prior written approval of Lessor. Lessee must request consent to the modifications in writing, submit proposed plans that will be submitted to the appropriate permitting agency, a copy of the permit application being submitted to the permitting agency, and a letter of authorization. If Lessee will require Lessor, as property owner to sign a permit application or other similar document to be submitted to the permitting agency, Lessor will require a letter from the Lessee that certifies all documentation submitted to the permitting agency is true and correct and that Lessee indemnifies the Lessor against any claims resulting from erroneous representations or misrepresentations. Any alterations to the site from the approved improvements as identified in Exhibit A and Exhibit C will require an amendment to the Lease and may require compensation from Lessee.
- B. Upon Lessee receiving approval from the appropriate permitting agency, Lessee must submit to Lessor a copy of the approved permit, a copy of the final construction plans that will supplement or replace Exhibit A and a written description of the improvements with a photo simulation of the modified site that will supplement or replace Exhibit C.
- C. Lessee shall provide Lessor, without charge or expense, space as necessary for Lessor's communications equipment either inside or on top of Lessee's improvements, to be utilized solely in connection with Lessor's operations as a municipal utility district. Lessor acknowledges and agrees that Lessor's communications equipment may not interfere with any of Lessee's approved improvements as detailed in Exhibit A, and Lessor shall submit plans and specifications to Lessee for review to determine any impact on Lessee's improvements. Within 30 days, Lessee shall either approve Lessor's plans and specifications or deny approval if Lessee reasonably determines that either a technical or structural interference is likely to occur. Failure by Lessee to approve or deny approval of Lessor's plans and specifications within 30 days shall be deemed approval.
- D. Lessor shall be solely responsible for all costs associated with the installation and maintenance of Lessor's equipment or improvements on the Premises.

15. INDEMNIFICATION AND DAMAGES

- A. Lessee expressly agrees to indemnify, defend and hold harmless Lessor, its directors, officers, and employees from and against any and all loss, liability, expense, claims, costs, suits, and damages, including attorneys' fees, arising out of Lessee's operation or performance under this Lease, including all costs, claims and damages (including property and personal injury) arising out of any hazardous substances, hazardous materials or hazardous wastes (including petroleum) within the Premises or on the adjacent Lessor's property, released by Lessee, its officers, employees, or contractors, as a result of Lessee's construction, reconstruction, maintenance, use, or removal of its facility.

Notwithstanding any other provision, Lessee expressly agrees to indemnify, defend, and hold harmless Lessor in any lawsuit related to the lease.

- B. Damages: Lessee shall be responsible for and shall reimburse Lessor for any damage or loss to Lessor's present or future facilities on the Property to the extent directly or indirectly contributed to or caused by Lessee's operation or performance under this Lease, including, but not limited to, any damage or loss due to Lessee's deposit of Hazardous Materials as defined in section 16.C on the Property.
- C. Assumption of Risk: Lessee agrees to assume all risk of damage to any property of Lessee or any other property under the control or custody of Lessee while upon the Property or rights-of-way of Lessor or in proximity thereto, caused by or contributed to in any way by Lessor's construction, reconstruction, operation, maintenance, repair, or use of pipelines, reservoirs or other facilities or improvements or roadways of Lessor, present or future.

16. HAZARDOUS MATERIALS

- A. Representation: Lessor represents that it has conducted no site investigation(s) for hazardous materials and has no knowledge of any hazardous materials (as defined below) existing on or about the Premises in violation of any applicable law.
- B. Lessee represents and warrants to Lessor that Lessee will not, and will not knowingly permit any third party to, generate, store or dispose of any hazardous materials on, under or about the Premises in violation of any hazardous substance laws (as defined below).
- C. Definition of Hazardous Materials: In this Lease, "hazardous materials" includes, but is not limited to, substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et. seq.; and those substances defined as hazardous, toxic, hazardous wastes, toxic wastes, or as hazardous or toxic substances by any law or statute now or after this date in effect in the state of California, including, without limitation, the California Health and Safety Code and the California Water Code; and in the regulations adopted and publications promulgated pursuant to those laws (all collectively "hazardous substance laws").

D. Lessor and Lessee acknowledge that from time to time Lessor may be required by various governmental agencies having jurisdiction over the Property to provide a list of hazardous materials present on the Property. If Lessor is required to provide a list of hazardous materials present on the Property by any governmental agency having jurisdiction over the Property, Lessee shall, within fifteen (15) business days after receipt of a written request from Lessor, provide to Lessor a written statement identifying the types and amounts of hazardous materials being stored and/or used by Lessee within the Premises.

Lessee shall not voluntarily or by operation of law assign, transfer, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in the Lease or in the Premises.

19. DEFAULT

It is understood and agreed that if Lessee fails to pay any installment of rent as it becomes due, or if Lessee defaults on any of the other covenants, agreements or terms of this Lease, and if upon receipt of ten (10) days' written notice in the case of a monetary default, thirty (30) days' written notice in the case of a non-monetary default or seven (7) days' written notice in the case of a frequency incompatibility default, Lessee shall fail or refuse to correct the default, Lessor at its option may re-enter the Premises and remove all improvements therefrom, and may terminate this Lease or take possession of the Premises as the agent and for the account of Lessee, and may lease or rent the whole, or any part of the Premises for the balance or any part of the term of this Lease and retain all rents received and apply them in payment on any rents owed by Lessee. The performance of any or all of these acts by Lessor shall not release Lessee from the full and strict compliance with all of the terms, conditions and covenants of this Lease. If the nature of Lessee's default is such that more than thirty (30) days are reasonably required to cure the default, then Lessee shall not be in default if Lessee commences the cure within this thirty (30) day period and thereafter diligently prosecutes such cure to completion.

20. WAIVER

The waiver by Lessor of any breach of any term, covenant or condition of this Lease shall not be deemed to be a waiver of the term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition. Lessor's subsequent acceptance of rent shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of the rent.

21. REMEDIES

It is understood that the remedies provided for Lessor in case of a violation of the terms of this Lease by Lessee are not exclusive, but are in addition to any remedies provided by law, any of which Lessor shall have the right to use at its option.

22. RELOCATION

In the event Lessor's operations necessitate the relocation of Lessee's facilities, Lessee shall have no right to relocation benefits or payments from Lessor, and Lessee shall be solely responsible for all costs of any necessary relocation. Lessee hereby specifically waives any rights to, and releases Lessor from, any and all claims for relocation benefits and/or relocation payments to which Lessee might otherwise be entitled. Lessee shall hold Lessor harmless from and indemnify Lessor against any and all liability, cost, and expense suffered or incurred by Lessee and arising in connection with any such right or claim asserted by Lessee.

23. CONDEMNATION

If any part of the Premises is condemned for a public use and a part of the Premises remains that is capable of occupation and use as authorized under this Lease, this Lease shall, as to the part so taken, terminate as of the date title shall vest in the condemner. If all of the Premises is condemned or if such part is condemned so that there does not remain a portion capable of occupation and use as herein authorized, this Lease shall thereupon terminate. If a part or all of the Premises is condemned, all compensation awarded upon such condemnation, except such compensation as shall be specifically awarded to Lessee for loss of or damages to fixtures owned by Lessee, or business interruption or moving expenses, shall go to Lessor and Lessee shall have no claim thereto and Lessee irrevocably assigns and transfers to Lessor any and all rights to all other compensation or damages to which Lessee may become entitled during the term of this Lease by reason of the condemnation.

24. TAXES AND ASSESSMENTS:

25. TERMINATION (NONDEFAULT)

After expiration of Term, if lease is in holdover, Lessor may terminate occupancy upon at least thirty (30) days' notice to Lessee.

Upon termination, neither party will owe any further obligation under the terms of this Lease except for Lessee's responsibility to remove all of Lessee's facilities from the Premises and restore the Premises to its original condition, as near as practicable in accordance with Section 28, below.

Upon any early termination of this Lease, any prepaid rent shall be prorated from the date of termination and returned to Lessee.

28. REMOVAL OF LESSEE'S FACILITIES UPON TERMINATION

In the event of the termination of this Lease by reason of the breach of this Lease by Lessee, or by not exercising one or both of the renewal options, or by the expiration of this Lease, at Lessor's option all towers, buildings and improvements other than "trade fixtures" constructed on the Premises by Lessee shall become and remain the property of Lessor, at no cost to Lessor, except as otherwise provided by this Section.

B. If Lessor decides not to retain all or a portion of the towers, buildings and improvements constructed by Lessee, upon termination of this Lease for any reason Lessee shall remove all towers, buildings and improvements as directed by Lessor within thirty (30) days following termination of this Lease. Lessee agrees to fill in all excavations with solidly compacted earth and to leave said Premises in a neat and clean condition following any such removal save and except normal wear and tear and acts beyond Lessee's control. Should Lessee fail to complete the removal of Lessee's facilities within thirty (30) days following termination of this Lease, rent shall accrue at Hold-Over rates until all equipment has been satisfactorily removed and the Premises have been left in satisfactory condition.

C. Within thirty (30) days following termination of this Lease, Lessee shall at Lessee's expense eliminate and pay in full any encumbrances, liens and debts incurred by Lessee with respect to any improvements to remain on the property.

INSURANCE REQUIREMENTS

I. Provisions Applicable to All Required Insurance

- A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, LESSEE shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. LESSEE shall provide Verification of Insurance as required by this Lease by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit "C" to the DISTRICT. The Exhibit "C" may be signed by an officer of the LESSEE (Agent) or by the Insurance Broker for the LESSEE. LESSEE shall update Exhibit "C" throughout the specified term of the insurance required by this Lease by resubmitting the completed Exhibit "C" prior to the expiration date of any of the required insurance. The updated Exhibit "C" shall become a part of the Lease but shall not require a change order to the Lease. The Notice to Proceed shall not be issued, and LESSEE shall not commence Services until such insurance has been accepted by the DISTRICT.
- C. LESSEE shall carry and maintain the minimum insurance requirements as defined in this Lease. LESSEE shall ensure that its independent contractors maintain, appropriate insurance coverage and limits required in this Lease to the extent they apply to the scope of the services to be performed by any party acting on LESSEE's behalf.
- D. Acceptance of verification of Insurance by the DISTRICT shall not relieve LESSEE of any of the insurance requirements, nor decrease liability of LESSEE.
- E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Lease.
- F. Any self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- G. At the option and request of the DISTRICT, LESSEE shall provide documentation of its financial ability to pay the self-insurance, or SIR.
- H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.
- I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A-V.
- J. LESSEE shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.
- K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Lease, and before the beginning of any Services related to this Lease.
- L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having LESSEE's insurance broker or agent update, sign and return Exhibit "C" to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Lease.
- M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Lease or the start of any Services related to this Lease, LESSEE must purchase an extended reporting period for a minimum of three (3) years after expiration of the Lease.
- N. In the event of a coverage dispute arising from a claim, the District may request a copy of the applicable policies' giving rise to such dispute which shall be submitted to the DISTRICT for review.
- O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.
- P. LESSEE agrees to provide immediate Notice to the DISTRICT of any loss or claim against LESSEE arising out of, pertaining to, or in any way relating to this Lease, or Services performed under this Lease. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.
- Q. LESSEE agrees, upon request by the DISTRICT, to provide complete and endorsements within 10 days of such request.

R. It is LESSEE's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Lease shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

S. Notice of Cancellation/Non-Renewal/Material Reduction The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by LESSEE, should LESSEE breach its obligations to maintain the required coverage and limits set forth in this Lease. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the LESSEE's insurance broker or agent update, sign and return this Exhibit "C".

II. Workers' Compensation and Employer's Liability Insurance Coverage

A. Workers' Compensation insurance including Employer's Liability insurance with minimum limits as follows:

Coverage A. Statutory Benefits Limits

Bodily Injury by disease: \$1,000,000 each employee

Bodily Injury by disease: \$1,000,000 policy limit

B. LESSEE's insurance shall be primary and any insurance or self-insurance procured or maintained by the DISTRICT shall not be required to contribute to it.

C. If there is an onsite exposure of injury to LESSEE or any party acting on LESSEE's behalf under the U.S. Longshore and Harbor Workers' Compensation Act, the Jones Act, or under laws, regulations or statutes applicable to maritime employees, coverage is required for such injuries or claims.

D. If LESSEE is self-employed, a sole proprietorship or a partnership, with no employees, and is exempt from carrying Workers' Compensation Insurance, LESSEE must return the completed Verification of Insurance confirming that LESSEE has no employees and is exempt from the State of California Workers' Compensation requirements.

E. If LESSEE is self-insured with respect to Workers' Compensation coverage, LESSEE shall provide to the DISTRICT a Certificate of Consent to Self-Insure from the California Department of Industrial Relations. Such self-insurance shall meet the minimum limit requirements and shall waive subrogation rights in favor of the DISTRICT as stated below in section "F."

F. Waiver of Subrogation. Workers' Compensation policies, including any applicable excess and umbrella insurance, must contain a waiver of subrogation endorsement providing that LESSEE and each insurer waive any and all rights of recovery by subrogation, or otherwise, against the DISTRICT, its directors, board, and committee members, officers, officials, employees, agents, and volunteers. LESSEE shall defend and pay any and all damages, fees, and costs, of any kind arising out of, pertaining to, or in any way relating to LESSEE's failure to provide waiver of subrogation from the insurance carrier for claims arising out of Lessee's use, occupancy, or operations under this Lease.

In the event that such interference shall develop and such interference is not eliminated by Lessee within seven (7) days after written notice from Lessor to do so, the facility or equipment causing such interference shall be taken out of service by Lessee until the problem is corrected to the complete satisfaction of Lessor. The term "interference" as used herein may be direct or consequential, and includes, but is not limited to, intermediation and desensitizing of Lessor's receiving equipment by Lessee's transmitter operations.
- B. Lessee agrees that any radio or cellular equipment installed on the Premises shall be frequency compatible with all other radio and cellular transmitting and receiving equipment existing on any site owned or controlled by Lessor at the time its initial radio installation is made. If at a future date a transmitter from another location other than those owned or controlled by Lessor should cause interference to previously installed equipment on any site owned or controlled by Lessor by causing interference with frequencies generated by Lessee's equipment, it shall be Lessee's responsibility to make such corrections as are necessary to eliminate such interference.

13. GOVERNMENTAL APPROVALS

Lessee shall, at its sole cost and expense, comply with all applicable requirements, rules, regulations and environmental documentation pertaining to facilities, equipment and operations to be conducted on the Premises, including all requirements imposed by the Bay Area Air Quality Management District, the City of Richmond, County of Contra Costa, the State of California and the United States of America. Lessee must request consent to the modifications in writing, submit proposed plans that will be submitted to the appropriate permitting agency, a copy of the permit application being submitted to the permitting agency, and a letter of authorization. If Lessee will require Lessor, as property owner to sign a permit application or other similar document to be submitted to the permitting agency, Lessor will require a letter from the Lessee that certifies all documentation submitted to the permitting agency is true and correct and that Lessee indemnifies the Lessor against any claims resulting from erroneous representations or misrepresentations. Any alterations to the site from the approved improvements as identified in Exhibit A and Exhibit C will require an amendment to the Lease and may require compensation from Lessee.
- B. Upon Lessee receiving approval from the appropriate permitting agency, Lessee must submit to Lessor a copy of the approved permit, a copy of the final construction plans that will supplement or replace Exhibit A and a written description of the improvements with a photo simulation of the modified site that will supplement or replace Exhibit C.
- C. Lessee shall provide Lessor, without charge or expense, space as necessary for Lessor's communications equipment either inside or on top of Lessee's improvements, to be utilized solely in connection with Lessor's operations as a municipal utility district. Lessor acknowledges and agrees that Lessor's communications equipment may not interfere with any of Lessee's approved improvements as detailed in Exhibit A, and Lessor shall submit plans and specifications to Lessee for review to determine any impact on Lessee's improvements. Within 30 days, Lessee shall either approve Lessor's plans and specifications or deny approval if Lessee reasonably determines that either a technical or structural interference is likely to occur. Failure by Lessee to approve or deny approval of Lessor's plans and specifications within 30 days shall be deemed approval.
- D. Lessor shall be solely responsible for all costs associated with the installation and maintenance of Lessor's equipment or improvements on the Premises.

15. INDEMNIFICATION AND DAMAGES

- A. Lessee expressly agrees to indemnify, defend and hold harmless Lessor, its directors, officers, and employees from and against any and all loss, liability, expense, claims, costs, suits, and damages, including attorneys' fees, arising out of Lessee's operation or performance under this Lease, including all costs, claims and damages (including property and personal injury) arising out of any hazardous substances, hazardous materials or hazardous wastes (including petroleum) within the Premises or on the adjacent Lessor's property, released by Lessee, its officers, employees, or contractors, as a result of Lessee's construction, reconstruction, maintenance, use, or removal of its facility.

16. HAZARDOUS MATERIALS

- A. Representation: Lessor represents that it has conducted no site investigation(s) for hazardous materials and has no knowledge of any hazardous materials (as defined below) existing on or about the Premises in violation of any applicable law.
- B. Lessee represents and warrants to Lessor that Lessee will not, and will not knowingly permit any third party to, generate, store or dispose of any hazardous materials on, under or about the Premises in violation of any hazardous substance laws (as defined below).
- C. Definition of Hazardous Materials: In this Lease, "hazardous materials" includes, but is not limited to, substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. D. Lessor and Lessee acknowledge that from time to time Lessor may be required by various governmental agencies having jurisdiction over the Property to provide a list of hazardous materials present on the Property. If Lessor is required to provide a list of hazardous materials present on the Property by any governmental agency having jurisdiction over the Property, Lessee shall, within fifteen (15) business days after receipt of a written request from Lessor, provide to Lessor a written statement identifying the types and amounts of hazardous materials being stored and/or used by Lessee within the Premises.

20. WAIVER

The waiver by Lessor of any breach of any term, covenant or condition of this Lease shall not be deemed to be a waiver of the term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition. Lessor's subsequent acceptance of rent shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of the rent.

21. REMEDIES

Lessee hereby specifically waives any rights to, and releases Lessor from, any and all claims for relocation benefits and/or relocation payments to which Lessee might otherwise be entitled. - A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, LESSEE shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. LESSEE shall provide Verification of Insurance as required by this Lease by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit "C" to the DISTRICT. The Exhibit "C" may be signed by an officer of the LESSEE (Agent) or by the Insurance Broker for the LESSEE. LESSEE shall update Exhibit "C" throughout the specified term of the insurance required by this Lease by resubmitting the completed Exhibit "C" prior to the expiration date of any of the required insurance. The updated Exhibit "C" shall become a part of the Lease but shall not require a change order to the Lease. The Notice to Proceed shall not be issued, and LESSEE shall not commence Services until such insurance has been accepted by the DISTRICT.
- C. LESSEE shall carry and maintain the minimum insurance requirements as defined in this Lease. LESSEE shall ensure that its independent contractors maintain, appropriate insurance coverage and limits required in this Lease to the extent they apply to the scope of the services to be performed by any party acting on LESSEE's behalf.
- D. Acceptance of verification of Insurance by the DISTRICT shall not relieve LESSEE of any of the insurance requirements, nor decrease liability of LESSEE.
- E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Lease.
- F. Any self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- G. At the option and request of the DISTRICT, LESSEE shall provide documentation of its financial ability to pay the self-insurance, or SIR.
- H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.
- I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A-V.
- J. LESSEE shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.
- K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Lease, and before the beginning of any Services related to this Lease.
- L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having LESSEE's insurance broker or agent update, sign and return Exhibit "C" to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Lease.
- M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Lease or the start of any Services related to this Lease, LESSEE must purchase an extended reporting period for a minimum of three (3) years after expiration of the Lease.
- N. In the event of a coverage dispute arising from a claim, the District may request a copy of the applicable policies' giving rise to such dispute which shall be submitted to the DISTRICT for review.
- O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.
- P. LESSEE agrees to provide immediate Notice to the DISTRICT of any loss or claim against LESSEE arising out of, pertaining to, or in any way relating to this Lease, or Services performed under this Lease. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.
- Q. LESSEE agrees, upon request by the DISTRICT, to provide complete and endorsements within 10 days of such request.

R. It is LESSEE's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Lease shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

S. Notice of Cancellation/Non-Renewal/Material Reduction The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by LESSEE, should LESSEE breach its obligations to maintain the required coverage and limits set forth in this Lease. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the LESSEE's insurance broker or agent update, sign and return this Exhibit "C".

Lessor agrees to cooperate with Lessee with respect to obtaining any required zoning or other governmental approvals or permits for the Premises and Lessee's facilities, including providing signatures where necessary on Lessee's governmental permit applications. Lessee acknowledges, however, that Lessor is not a permitting entity and shall not be responsible for obtaining or maintaining any necessary governmental approvals on behalf of Lessee.

Lessee further agrees to be responsible for complying with any environmental regulations or permits that may be required under this Lease, including but not limited to, applying for and maintaining a Hazardous Materials Business Plan (HMBP), any hazardous materials storage permit that may be required, and compliance with any storm water regulations.

14. MODIFICATIONS AND IMPROVEMENTS

- A. Once Lessee's improvements are installed on the Premises, as depicted in Exhibit A and detailed in Exhibit C, Lessee will not make any alterations to the site without obtaining the prior written approval of Lessor. Lessee must request consent to the modifications in writing, submit proposed plans that will be submitted to the appropriate permitting agency, a copy of the permit application being submitted to the permitting agency, and a letter of authorization. If Lessee will require Lessor, as property owner to sign a permit application or other similar document to be submitted to the permitting agency, Lessor will require a letter from the Lessee that certifies all documentation submitted to the permitting agency is true and correct and that Lessee indemnifies the Lessor against any claims resulting from erroneous representations or misrepresentations. Any alterations to the site from the approved improvements as identified in Exhibit A and Exhibit C will require an amendment to the Lease and may require compensation from Lessee.
- B. Upon Lessee receiving approval from the appropriate permitting agency, Lessee must submit to Lessor a copy of the approved permit, a copy of the final construction plans that will supplement or replace Exhibit A and a written description of the improvements with a photo simulation of the modified site that will supplement or replace Exhibit C.
- C. Lessee shall provide Lessor, without charge or expense, space as necessary for Lessor's communications equipment either inside or on top of Lessee's improvements, to be utilized solely in connection with Lessor's operations as a municipal utility district. Lessor acknowledges and agrees that Lessor's communications equipment may not interfere with any of Lessee's approved improvements as detailed in Exhibit A, and Lessor shall submit plans and specifications to Lessee for review to determine any impact on Lessee's improvements. Within 30 days, Lessee shall either approve Lessor's plans and specifications or deny approval if Lessee reasonably determines that either a technical or structural interference is likely to occur. Failure by Lessee to approve or deny approval of Lessor's plans and specifications within 30 days shall be deemed approval.
- D. Lessor shall be solely responsible for all costs associated with the installation and maintenance of Lessor's equipment or improvements on the Premises.

15. INDEMNIFICATION AND DAMAGES

- A. Lessee expressly agrees to indemnify, defend and hold harmless Lessor, its directors, officers, and employees from and against any and all loss, liability, expense, claims, costs, suits, and damages, including attorneys' fees, arising out of Lessee's operation or performance under this Lease, including all costs, claims and damages (including property and personal injury) arising out of any hazardous substances, hazardous materials or hazardous wastes (including petroleum) within the Premises or on the adjacent Lessor's property, released by Lessee, its officers, employees, or contractors, as a result of Lessee's construction, reconstruction, maintenance, use, or removal of its facility.

Notwithstanding any other provision, Lessee expressly agrees to indemnify, defend, and hold harmless Lessor in any lawsuit related to the lease.

- B. Damages: Lessee shall be responsible for and shall reimburse Lessor for any damage or loss to Lessor's present or future facilities on the Property to the extent directly or indirectly contributed to or caused by Lessee's operation or performance under this Lease, including, but not limited to, any damage or loss due to Lessee's deposit of Hazardous Materials as defined in section 16.C on the Property.
- C. Assumption of Risk: Lessee agrees to assume all risk of damage to any property of Lessee or any other property under the control or custody of Lessee while upon the Property or rights-of-way of Lessor or in proximity thereto, caused by or contributed to in any way by Lessor's construction, reconstruction, operation, maintenance, repair, or use of pipelines, reservoirs or other facilities or improvements or roadways of Lessor, present or future.

16. HAZARDOUS MATERIALS

- B. Lessee represents and warrants to Lessor that Lessee will not, and will not knowingly permit any third party to, generate, store or dispose of any hazardous materials on, under or about the Premises in violation of any hazardous substance laws (as defined below).
- C. Definition of Hazardous Materials: In this Lease, "hazardous materials" includes, but is not limited to, substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et. seq.; and those substances defined as hazardous, toxic, hazardous wastes, toxic wastes, or as hazardous or toxic substances by any law or statute now or after this date in effect in the state of California, including, without limitation, the California Health and Safety Code and the California Water Code; and in the regulations adopted and publications promulgated pursuant to those laws (all collectively "hazardous substance laws").

D. Lessor and Lessee acknowledge that from time to time Lessor may be required by various governmental agencies having jurisdiction over the Property to provide a list of hazardous materials present on the Property. If Lessor is required to provide a list of hazardous materials present on the Property by any governmental agency having jurisdiction over the Property, Lessee shall, within fifteen (15) business days after receipt of a written request from Lessor, provide to Lessor a written statement identifying the types and amounts of hazardous materials being stored and/or used by Lessee within the Premises.

17. INSURANCE REQUIREMENTS

See Exhibit "D", Insurance Requirements, attached hereto and made a part hereof.

Lessee shall not voluntarily or by operation of law assign, transfer, sublet, or otherwise transfer or encumber all or any part of Lessee's interest in the Lease or in the Premises.

19. DEFAULT

It is understood and agreed that if Lessee fails to pay any installment of rent as it becomes due, or if Lessee defaults on any of the other covenants, agreements or terms of this Lease, and if upon receipt of ten (10) days' written notice in the case of a monetary default, thirty (30) days' written notice in the case of a non-monetary default or seven (7) days' written notice in the case of a frequency incompatibility default, Lessee shall fail or refuse to correct the default, Lessor at its option may re-enter the Premises and remove all improvements therefrom, and may terminate this Lease or take possession of the Premises as the agent and for the account of Lessee, and may lease or rent the whole, or any part of the Premises for the balance or any part of the term of this Lease and retain all rents received and apply them in payment on any rents owed by Lessee. The performance of any or all of these acts by Lessor shall not release Lessee from the full and strict compliance with all of the terms, conditions and covenants of this Lease, If the nature of Lessee's default is such that more than thirty (30) days are reasonably required to cure the default, then Lessee shall not be in default if Lessee commences the cure within this thirty (30) day period and thereafter diligently prosecutes such cure to completion.

20. WAIVER

The waiver by Lessor of any breach of any term, covenant or condition of this Lease shall not be deemed to be a waiver of the term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition. Lessor's subsequent acceptance of rent shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than failure of Lessee to pay the particular rent so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of the rent.

21. REMEDIES

It is understood that the remedies provided for Lessor in case of a violation of the terms of this Lease by Lessee are not exclusive, but are in addition to any remedies provided by law, any of which Lessor shall have the right to use at its option.

22. RELOCATION

In the event Lessor's operations necessitate the relocation of Lessee's facilities, Lessee shall have no right to relocation benefits or payments from Lessor, and Lessee shall be solely responsible for all costs of any necessary relocation. Lessee hereby specifically waives any rights to, and releases Lessor from, any and all claims for relocation benefits and/or relocation payments to which Lessee might otherwise be entitled. Lessee shall hold Lessor harmless from and indemnify Lessor against any and all liability, cost, and expense suffered or incurred by Lessee and arising in connection with any such right or claim asserted by Lessee.

23. CONDEMNATION

If any part of the Premises is condemned for a public use and a part of the Premises remains that is capable of occupation and use as authorized under this Lease, this Lease shall, as to the part so taken, terminate as of the date title shall vest in the condemnor. If all of the Premises is condemned or if such part is condemned so that there does not remain a portion capable of occupation and use as herein authorized, this Lease shall thereupon terminate. If a part or all of the Premises is condemned, all compensation awarded upon such condemnation, except such compensation as shall be specifically awarded to Lessee for loss of or damages to fixtures owned by Lessee, or business interruption or moving expenses, shall go to Lessor and Lessee shall have no claim thereto and Lessee irrevocably assigns and transfers to Lessor any and all rights to all other compensation or damages to which Lessee may become entitled during the term of this Lease by reason of the condemnation.

24. TAXES AND ASSESSMENTS:

The property interest created by this Lease may be subject to property taxation and the Lessee may be subject to the payment of property taxes levied on this interest. Lessee agrees to pay all lawful taxes, assessments or charges which at any time may be levied by any tax or assessment levying body upon any interest in this Lease or any possessory right that Lessee may have in or to the Premises under this Lease.

25. TERMINATION (NONDEFAULT)

Lessor's Right to Terminate. Lessor may terminate this Lease upon at least one (1) year notice to Lessee.

After expiration of Term, if lease is in holdover, Lessor may terminate occupancy upon at least thirty (30) days' notice to Lessee.

Lessee's Right to Terminate. If the approval of any agency, board, court, or other governmental authority necessary for the construction and/or operation of Lessee's facilities is revoked or withdrawn, or if Lessor fails to have proper ownership of the

Property or authority to enter into this Lease, then Lessee shall have the right to terminate this Lease upon at least 180 days written notice to Lessor.

- B. If Lessor decides not to retain all or a portion of the towers, buildings and improvements constructed by Lessee, upon termination of this Lease for any reason Lessee shall remove all towers, buildings and improvements as directed by Lessor within thirty (30) days following termination of this Lease. Lessee agrees to fill in all excavations with solidly compacted earth and to leave said Premises in a neat and clean condition following any such removal save and except normal wear and tear and acts beyond Lessee's control. Should Lessee fail to complete the removal of Lessee's facilities within thirty (30) days following termination of this Lease, rent shall accrue at Hold-Over rates until all equipment has been satisfactorily removed and the Premises have been left in satisfactory condition.
- C. Within thirty (30) days following termination of this Lease, Lessee shall at Lessee's expense eliminate and pay in full any encumbrances, liens and debts incurred by Lessee with respect to any improvements to remain on the property.

- A. Prior to the beginning of and throughout the duration of Services, and for any additional period of time as specified below, LESSEE shall, at its sole cost and expense, maintain insurance in conformance with the requirements set forth below.
- B. LESSEE shall provide Verification of Insurance as required by this Lease by providing the completed Verification of Insurance as requested below signing and submitting this Exhibit "C" to the DISTRICT. The Exhibit "C" may be signed by an officer of the LESSEE (Agent) or by the Insurance Broker for the LESSEE. LESSEE shall update Exhibit "C" throughout the specified term of the insurance required by this Lease by resubmitting the completed Exhibit "C" prior to the expiration date of any of the required insurance. The updated Exhibit "C" shall become a part of the Lease but shall not require a change order to the Lease. The Notice to Proceed shall not be issued, and LESSEE shall not commence Services until such insurance has been accepted by the DISTRICT.
- C. LESSEE shall carry and maintain the minimum insurance requirements as defined in this Lease. LESSEE shall ensure that its independent contractors maintain, appropriate insurance coverage and limits required in this Lease to the extent they apply to the scope of the services to be performed by any party acting on LESSEE's behalf.
- D. Acceptance of verification of Insurance by the DISTRICT shall not relieve LESSEE of any of the insurance requirements, nor decrease liability of LESSEE.
- E. The insurance required hereunder may be obtained by a combination of primary, excess and/or umbrella insurance, and all coverage shall be at least as broad as the requirements listed in this Lease.
- F. Any self-insurance, or self-insured retentions (SIRs) applicable to the required insurance coverage must be declared to and accepted by the DISTRICT.
- G. At the option and request of the DISTRICT, LESSEE shall provide documentation of its financial ability to pay the self-insurance, or SIR.
- H. Any policies with a SIR shall provide that any SIR may be satisfied, in whole or in part, by the DISTRICT or the additional insured at its sole and absolute discretion.
- I. Unless otherwise accepted by the DISTRICT, all required insurance must be placed with insurers with a current A.M. Best's rating of no less than A-V.
- J. LESSEE shall defend the DISTRICT and pay any damages as a result of failure to provide the waiver of subrogation from the insurance carrier.
- K. For any coverage that is provided on a claims-made coverage form (which type of form is permitted only where specified) the retroactive date must be shown and must be before the date of this Lease, and before the beginning of any Services related to this Lease.
- L. Insurance must be maintained and updated Verification of Insurance be provided to the DISTRICT before the expiration of insurance by having LESSEE's insurance broker or agent update, sign and return Exhibit "C" to the DISTRICT's contract manager. For all claims-made policies the updated Verification of Insurance must be provided to the DISTRICT for at least three (3) years after expiration of this Lease.
- M. If claims-made coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of this Lease or the start of any Services related to this Lease, LESSEE must purchase an extended reporting period for a minimum of three (3) years after expiration of the Lease.
- N. In the event of a coverage dispute arising from a claim, the District may request a copy of the applicable policies' giving rise to such dispute which shall be submitted to the DISTRICT for review.
- O. Where additional insured coverage is required, the additional insured coverage shall be "primary and non-contributory," and will not seek contribution from the DISTRICT's insurance or self-insurance.
- P. LESSEE agrees to provide immediate Notice to the DISTRICT of any loss or claim against LESSEE arising out of, pertaining to, or in any way relating to this Lease, or Services performed under this Lease. The DISTRICT assumes no obligation or liability by such Notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the DISTRICT.
- Q. LESSEE agrees, upon request by the DISTRICT, to provide complete and endorsements within 10 days of such request.

R. It is LESSEE's responsibility to ensure its compliance with the insurance requirements. Any actual or alleged failure on the part of the DISTRICT to obtain proof of insurance required under this Lease shall not in any way be construed to be a waiver of any right or remedy of the DISTRICT, in this or any regard.

S. Notice of Cancellation/Non-Renewal/Material Reduction The insurance requirements hereunder are mandatory and the DISTRICT may, at its sole and absolute discretion, terminate the services provided by LESSEE, should LESSEE breach its obligations to maintain the required coverage and limits set forth in this Lease. No coverage required hereunder shall be cancelled, non-renewed or materially reduced in coverage or limits without the DISTRICT being provided at least thirty (30) days prior written notice, other than cancellation for the non-payment of premiums, in which event the DISTRICT shall be provided ten (10) days prior written notice. Replacement of coverage with another policy or insurer, without any lapse in coverage or any reduction of the stated requirements does not require notice beyond submission to the DISTRICT of an updated Verification of Insurance which shall be met by having the LESSEE's insurance broker or agent update, sign and return this Exhibit "C".

Such self-insurance shall meet the minimum limit requirements and shall waive subrogation rights in favor of the DISTRICT as stated below in section "F."
